APPROVAL OF DISSERTATION FORM

INSTRUCTIONS

STUDENT:

If you have passed the Dissertation Defense Examination and met all conditions requested by your committee, complete this form and obtain the signatures of your committee members and the Dean. This form, along with the final, corrected copy of your dissertation and any supplementary files (if any), needs to be submitted to the Thesis Clerk in the Registrar's Office for submission to the Library.

Supplementary files:

If supplementary materials - like audio, video, spreadsheets, software code, etc. - are part of dissertation , they can be submitted as supplementary files during the online submission process.

Submit any supplementary files along with your dissertation to the respected GPC's, and provide a description of each supplementary file or files in the abstract of your graduate work.

- Do not embed media files in the PDF.
- Submit media files (if any) as supplementary files along with Dissertation.
- Describes files in the abstract: Add a description of each supplementary file in the abstract.
- Permission Letter for Use of Previously Copyrighted Material

Note: Incomplete forms will not be accepted. Dissertations that do not meet the editorial guidelines of the University must be corrected and reevaluated prior to acceptance.
